for 2023/2024 the ranking is based on best three out of four events														
Ranking Criteria														
1. Points are calculated as the number of entries in an event +1 less the result in the event.														
2. Total Points is the aggregate of the Points in each event.														
3. Ranking is based on the highest to lowest Total Points.														
4. Where sailors have equal Total Points, the sailor with the better result in the HK Championships is ranked the higher.
