Total Event Entries		14		16		36				
Based this 2022/2023 year on best two out of three events										
Ranking Criteria										
1. Points are calculated as the number of entries in an event +1 less the result in the event.										
2. Total Points is the aggregate of the Points in each event.										
3. Ranking is based on the highest to lowest Total Points.
